I understand that I am choosing to work at day camp as a Program Aide assigned to a unit and not as a camper. Unless special arrangements are made with the camp director, I understand that I am expected to attend all day camp trainings and attend all five days of camp from 8:00 a.m. to 4:30 p.m. or until my unit is packed up for the night. I further understand that my behavior at camp must at all times set the example for younger Girl Scouts. If my behavior is at any time deemed problematic by the camp director, I understand that I may be asked to leave camp and will not receive credit toward my community service or leadership hours.
